## **Testimonials**

Anyone whose dream is becoming a Nail Technician at the highest standard should without a doubt choose an Avalon Beauty College course by external studies.

As a mum of 3 active sons, I found it very difficult to find a course as flexible as Avalon.

You can do it in your spare time and there's no pressure to meet deadlines. The course is so well structured & easy to follow. I wouldn't go anywhere else! I'm only too happy to spread the word & recommend Avalon Beauty College courses to anyone. Thank you Win, it was a pleasure!

I received all the support that I needed from the Avalon Beauty College to successfully complete the Facial Treatment Certificate. It was wonderful to be able to study at my own pace, with plenty of flexibility. After completing this course I have been lucky to gain a part-time position into the health & beauty industry. It has got my foot in the door into the career path that I have chosen. I am planning on building on my skills through other courses that the college provides. Thank you for everything & look forward to further studies.
